W.I.S.E. Up! Workshop
Saturday, October 16, 2010
Offered by Adoptive Families Today

Most adopted children and their families are asked questions about adoption. W.IS.E. UP! provides a simple but powerful way for children and families to handle comments and personal questions about their adoption journey. Sessions will be lead by trained facilitators. Please see www.adoptionsupport.org for additional information about the creators of this program.
